HOW IT WORKS

See • Ask • Act

SEE

Capture what you see

An 8MP camera at eye level takes photos and 4K video. An indicator light shows when it is recording.

ASK

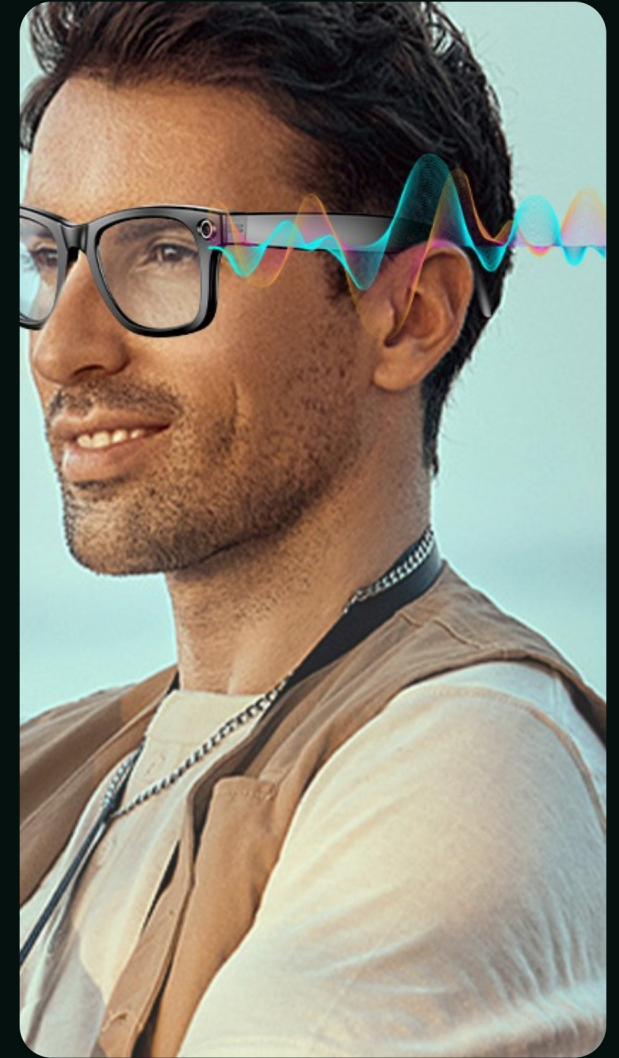

Ask hands-free

Wake FarryOn AI with your voice or the AI button. Dual mics pick up your voice clearly, even outdoors.

ACT

Get things done

FarryOn AI replies through the built-in speakers. Photos and videos move to the app over Wi-Fi.

VARIANTS

Four Lens Options

Same frame and electronics in every variant, with detachable lenses.

Sunglasses

Tinted lenses for sun and outdoor wear.

Anti-Blue

Blue-light blocking lenses for screen time and indoor work.

Photochromic

Color-changing lenses that darken in sunlight and lighten indoors.

Clear

Clear lenses for everyday wear.

HARDWARE

Design & Controls

- 1 AI button**
Quick access to FarryOn AI.
- 2 Power / camera button**
Power on and capture photos or video.
- Touch control**
Slide along the temple to adjust volume, tap to select.

35 g

Ultra-light for all-day wear

TR

Tough frame, matte black finish
